

# LUNIVERRE GALLERY

## SCULPTURE DE VERRE CONTEMPORAINE

After ten glittering years in Paris, Luniverre Gallery on the Rue des Coutures St. Gervais will be closing its doors. We are going Green! Having lost my heart to a romantic, medieval, hill-top town deep in *la France profonde*, I have decided that I must put my head where my heart is and devote all my time and resources to my new venture.

This picturesque and historic site, Cordes sur Ciel (heaven indeed!) in South West France can only add lustre to the born-again Luniverre Gallery: ancient history meets contemporary glass sculpture.

I want to invite you all – my faithful Paris visitors – to come and see the new work of our artists. The two galleries will be open every day during the summer and on weekends during the winter.

- **In the town centre:** at 27 Grand Rue Raimond VII, the Luniverre Gallery, which will eventually become the Museum of Contemporary Glass (Tel: 05 63 53 35 91)
- **Below the town:** La Mazière, route d'Albi, the Gallery-Workshop, where artists will be able to make and show their work (Tel: 05 63 53 99 89.) The workshop will also be receiving students for short courses in glass making and for special projects (see our website for details.)

This new project is yours too and I greatly look forward to seeing you whenever you have the chance to visit this South West corner of France – so rich in history and in art.

To keep you informed throughout the year, we will be glad to send you our Luniverre Newsletter. If you would like to receive it, please register at our e-mail address: [luniverre.cordes@gmail.com](mailto:luniverre.cordes@gmail.com).

I look forward to seeing you soon, Marianne Spottswood
